

DOUGLAS SCRUB ORIENTEERING COURSE

Insert the co-ordinates into your GPS then locate the orienteering markers and write the symbol you find, in the square provided below.

You do not need to visit the numbers in order.

1. near platform
35.188°S 138.5968°E
2. native pine tree
35.1872°S 138.5961°E
3. tall tree, horizontal branches and long leaves.
35.1876°S 138.5947°E
4. banksia tree.
35.1882°S 138.5944°E
5. tree, smooth bark, three trunks.
35.1895°S 138.5946°E
6. 2nd largest on creek.
35.1893°S 138.5965°E
7. near fence line.
35.1875°S 138.599°E
8. log across creek
35.1867°S 138.5986°E
9. large tree 2 trunks.
35.1862°S 138.5998°E
10. Y shaped pine.
35.1852°S 138.6018°E
11. log in creek (NE end)
35.1846°S 138.6026°E
12. largest pine tree.
35.1827°S 138.6037°E
13. large pine tree.
35.1851°S 138.6004°E
14. small stump with regrowth.
35.1864°S 138.5968°E
15. large tree edge of creek.
35.1862°S 138.5967°E
16. hugging tree.
35.185°S 138.5966°E
17. tree tunnel.
35.1844°S 138.5966°E
18. large stump with man made object.
35.1833°S 138.5973°E
19. sump amongst fallen trees.
35.1831°S 138.598°E
20. bend over tree.
35.183°S 138.5984°E
